## OVERVIEW

EB Rental, located in Newport Beach Harbor, has been a leading provider of eco-friendly boating experiences in Orange County since 2017. Founded with a commitment to both luxury and sustainability, we offer a fleet of fully electric Duffy-style boats that allow locals and visitors alike to explore the beautiful Newport Harbor. With a prime location in Lido Marina Village, making memories on the water with friends and family has never been easier.

## OUR MISSION

EB Rental is driven by a mission to revolutionize recreational boating through sustainable practices and cutting-edge technology. We aim to offer environmentally friendly alternatives to traditional boating, ensuring that the waters of Newport Harbor remain clean! We place a special emphasis on providing exceptional customer experiences, combining luxury and convenience with a strong commitment to preserving the marine environment.

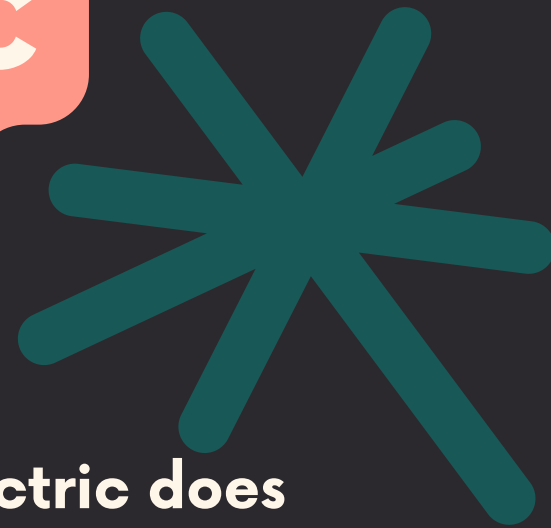

## WHAT SETS US APART?

Our vibrant fleet and flexible options cater to a wide range of customer needs! The company offers boats in various colors, including the iconic pink boat fleet, which adds a splash to any event. These colorful boats are perfect for offering a distinctive and memorable experience on the water. Additionally, EB Rental provides convenient options for planning larger events, along with special packages, making it easy and affordable to coordinate.

# WHY CHOOSE ELECTRIC BOATS?

Choosing to rent electric does not just mean you're contributing to a cleaner environment!

Electric boats are soundless, easy to maneuver, and are the most relaxing way to see everything Newport Harbor has to offer.
